

Graduate Student Salary/Stipend 2022 Beginning of Term Deadlines

Graduate students receiving a salary (*processed by Payroll*) or a stipend (*processed by P2P*) follow the SM calendar deadline schedule found on the PayRoll website: <https://controller.rice.edu/payroll-calendar>, with the exception of the beginning of a new term.

The beginning of a new term brings a heavier load and requires more time to process. Therefore, follow the deadlines stated in the "iO HR & Payroll Deadline" emails for each pay period EXCEPT for what is stated below.
